2018 MEMBERSHIP RENEWAL NOTICE

Greetings,

This notice is a reminder to renew your Cheshire County Shooting Sports Education Foundation dba Cheshire County Fish & Game Membership for 2018.

The front gate lock combination will be changed on New Year's Day.

In order to cover the expense of numerous range safety improvements made this past year, membership fees will increase for the first time in five years. However, if renewals are received before 12/31/17, the fee will remain at the 2017 rate for 2018. Please see the new fee schedule on the reverse side.

Membership renewal can be handled in several ways:

- 1) Mail your enclosed renewal application and check in the enclosed envelope. When we receive your renewal app and check, we will immediately forward your 2018 membership card and new gate combination.
- 2) Bring your application & payment to the range during office or membership hours; The clubhouse is open every Saturday from 10am to 1pm and Monday, Wednesday & Friday from 9am-2pm for walk-in renewals.
- 3) Your renewal can be done over the phone with a credit card if you call the GM during weekday office hours noted above.

We value your membership and hope that you will join us again this year!

Be sure to check the web site and calendar for the many activities & training classes the Club offers at www.ccssef.org.

Thank you for your support. If you have any questions, please contact:

Larry Parker gm@ccfandg.org (603) 352-8563
