

2020 MINI-PALMA TEAM TRYOUT and BENEFIT MATCH
May 31, 2020 9:00 am KEENE, NH

SHOOTERS WANTED

I am looking for High Power Rifle shooters to compete for positions on an International Shooting Team.

The "Mini-Palma® Match" is a friendly, international, long range/mid-range prone competition between shooters from the New England States and the Maritime Provinces of Canada. The match was started about 43 years ago by the famous American rifleman and gunsmith Creighton Audette and Canadian Al Mutch. The location alternates between New England and the Maritimes. Keene will host the Team Match this year.

The team consists of six prone iron sight sling shooters (Target Rifle) and four F/TR shooters. I plan to have a second team ("Good Will Team") shoot the match and attend the banquet. This will allow an additional ten U.S. shooters to experience an international team match.

The tryouts are simple. The course of fire will be the same as the NRA approved mid-range matches we shoot at 600 yards. See the mid-range match program. The only calibers allowed are 5.56/.223 or 7.62/.308 with any bullet weight allowed for 5.56/.223 (F/TR or Target Rifle). Target rifle shooters shooting 7.62/.308 are limited to no more than a 156 grain bullet. The top 6 target rifle and top 4 F/TR shooters make up the Mini-Palma Team. The next 6 target rifle and next 4 F/TR shooters make up the Good Will Team. If there aren't enough shooters to make up the teams, I will select shooters by invitation.

The fee for the tryout match is \$30.00 with a portion going to the Mini-Palma Team for the banquet.
