Hello,

My name is David Gaillardetz. I'm currently on the Board for CCSSEF as the Law Enforcement Liason, and I'm very interested in running again. I currently reside in West Swanzey NH with my wife Bryna and the youngest child of 6. Im currently employed by the Cheshire County Sheriff's Office as a Special Deputy been with them for 5 1/2 years. I have been involved with safety services since High School. I graduated from Keene High and went into law enforcement for 7 years, then changed careers and was hired by the City of Keene Fire Dept where I did 30 years and have since retired. I am currently also employed by CCSSEF as the Range Facility Manager.

I have been a member here for 10 years where I took a break for a bit to tend to my father who was ill. I have been shooting guns since I was a child and haven't stopped since. I have many hobbies I'm involved in. Couple of them would be K9 search and rescue with my German Shepard, and spending alot of time here at CCSSEF. I'm currently also the Chief Range Safety Officer here at the range also. My job is to make sure things run safe here at the range, make sure RSOs are currently trained to educate and make sure member are shooting in a safe manner.

As the Law Enforcement Liason my job is to make sure they are scheduled for training and handle any conflicts that may arise at anytime. I also coordinate dates and times for the range with the event coordinator to make sure they get on the calendar.

Since I have been the Range Facility Manager we have many projects going at this time. We poured a concrete slab, along with handicap ramp and steps at the 50/100 yd range, in process of finishing up the new 300 yard range, finishing up Pistol Bay 4, and in process of starting the new Maverick Range at the archery range to start back up the Cowboy Shoots. I also started a program with inmates from Cheshire County House Of Corrections every two weeks a handful of inmates come up and work. They mow lawns trim around areas clean up trash making this place looking good for our members and guests.

I take pride in what I do and would like to continue being on the board to help make this place a great place to go and shoot, and learn. If any other question please ask I will be happy to answer. Thank you.

David Gaillardetz
