CCSSEF
19 Ferry Brook Rd
Keene NH 03431

My name is Jeff Fifield and I am writing to express my interest in running for one of the open positions on the Board OF Directors. Since joining the foundation I have enjoyed not only using the range with my family but also participating in and now volunteering for Action Pistol and Steel Challenge. I am 37 years old, have a Wife and three children and my oldest son Declan competes in our monthly Steel Challenge matches. I am a certified RSO for the range and when time permits and have volunteered for Women on Target. I started a small charity event to support The Warrior Connection in their efforts to help Veterans in their fight against Post Traumatic Stress. Once a year we hold the event and I am hoping to bring the event to our facility as a way for CCSSEF to give back to our Veterans. The event has run for seven years and has had great success raising money and awareness for the battle against PTSD.

Reasons for wanting to join the Board of Directors.

My main reason for wanting to join the Board is to ensure all of our Members,guests, Disciplines and Trainers are afforded the opportunity to utilize and enjoy our facility and when they leave they tell people how amazing their experience was. I have thoroughly enjoyed my time as a member and tell anyone who will listen that they not only should but need to join our Foundation.

I have been a Parts and Service Manager in new vehicle dealerships for close to a decade and take pride in being a very solution oriented person as well as focusing on customer satisfaction. I try to make all decisions with common sense and come up with results that are fair to all parties involved.

Thank You,
Jeff Fifield
