

Hello!

I am Konrad Sypko, and I am running for reelection on CCSSEF's Board of Directors. I have served as a Director for one year. I am also the Membership Director for the foundation. We may have met when on a Saturday morning to renew your membership.

I joined CCSSEF in 2017. I enjoy shooting my pistol on occasion. However, my true love is shooting my rifle at high power practices.

I came to the Land of the Free from Land of Lincoln. I am also an auto mechanic during the day. I am a husband and father to two adorable girls.

I hope to see you on the 600 yard range soon!

Best Regards

Konrad Sypko
