

## Peter J. Lane

I was Born in Hartford Connecticut on December 3,1958 and lived in Ct until I moved to Winchester NH 3 years ago at which time I joined CCSSEF  
At present I am basically retired as I am caregiver to my wife who has MS.

### Work history:

I have done quite a few jobs through the years. The main ones were  
Print shop - bindery equipment operator, foreman, inventory control and shipping ad receiving.  
Food service – line cook and prep chef in restaurants and commercial kitchens.  
Real estate- managing partner for a parking lot and property management co.  
Contracting – remodeling,HUD grants and siding.  
Maintenance – building and equipment for a machine shop making firearms parts.

### Shooting

I was a member Fin Fur And Feather in Chaplain Ct after which I joined East Windsor SportsCT. I was awarded EWS member of the year twice and due to service and member of the year was Awarded a life membership. I was chairman of there jr shooting program and chairman of their annual picnic/ pig roast which I cooked/catered.

I was a competitor in service rifle going to the nationals at Camp Perry as a member of the Ct State Rifle team as long as working with the Ct junior rifle team.

I am an avid pistol shooter competing in USPSA as well as shooting many other pistol disciplines. I have shot trap and skeet and am practicing shotgun to hopefully compete in 2 gun and 3 gun matches. I also have been reloading for years and recently built a more suitable reloading area.

I think I can bring some good experience to the club and appreciate your time in considering me for this position

.  
Thank you  
Peter J. Lane
