RE: Candidacy for BOD

Gentlemen:

This email is to announce my candidacy for a seat on the Board of Directors for Cheshire County Shooting Sports Education Foundation.

If elected to the BoD, I would strive to advance the interests of the Foundation by expanding upon the existing mission to train and educate members of the community as well as our partners in the law enforcement community. I will also assist in fundraising activities as needed to offset costs associated with the indoor shooting facility.

I have been active in Shooting Sports for many years. I am currently an NRA RSO, NRA Life Member, Second Amendment Fountain Life Member, NH State Police qualified for Pistol, Duty Rifle and Shotgun for my current Armed Guard License. I currently own and operate GAP Services, an armed security agency out of Grantham, NH.

I have about 1500 hours of formal training in many disciplines of defensive handgun and rifle courses with Critical Dynamics along with several instructor development courses through the Second Amendment Foundation Training Division.

Thank you for the consideration.

Best Regards,

Timothy Green
