

CCSSEF CODE OF CONDUCT POLICY

MESSAGE FROM THE BOARD OF DIRECTORS:

How we conduct ourselves, with or without an audience, is important and reflective of our core values. We are all ambassadors of the foundation, and civility is everyone's responsibility. This foundation will be successful only if we treat each other with respect, and we keep in mind that differing opinions are normal and healthy. It is our obligation as members to speak and act in such a way that we reflect in a positive manner on the foundation, both at the range and in the general public. We are all passionate about the foundation, we must stay calm, and have discussions not arguments. The board recognizes that all conflicts cannot be immediately resolved by the people involved, so has created a mechanism for that purpose. The goal is to understand, mediate, and resolve the conflict.
