

I am a candidate for a second term on the CCSSEF Board of Directors. Presently I am Treasurer for CCSSEF and if elected, I will put forth my name to continue to be Treasurer. As Treasurer, I placed into this years budget (2022) accounting services which includes a monthly review. In addition this year marks the first full year CCSSEF has a standing five member Finance Committee which meets monthly to review CCSSEF's financials. Presently the Finance Committee is developing a chart of accounts which will enable a detailed analysis of income and expenses of the Indoor Range and the Outdoor Range.

My background outside of my CCSSEF activities have included 15 years in education, 30 years owning or managing real estate companies. I was honored to be elected to the Keene Board of Education for five terms in the 1980's and to the New Hampshire legislature for 2 terms. Presently I am the sole proprietor of "New Century Real Estate" and teach real estate classes.
