

My CCSSEF Experience

Why do I wish to continue being on the Cheshire County Shooting Sports Education Foundation? I am avid supporter of the 2nd Amendment; I joined the NRA many years ago. A few years ago, I decided one way I can support the 2nd Amendment was to become active in the Cheshire County Shooting Sports Education Foundation. I joined CCSSEF at the beginning stage of the Indoor Range project and have continued an active role since. Several years ago, I was appointed Treasurer of CCSSEF. One of the deficiencies I noticed was the complete lack of a financial process which could be easily understood. My experience as a Treasurer of Prime MLS for 12 years was very helpful in developing a Financial Reporting System for CCSSEF. As a result, all CCSSEF Board of Directors currently receive detailed monthly statements. As Treasurer I also noted there was no systematic method of establishing a yearly budget or a system to review monthly receipts and expenditures. To set up an effective system a Finance Committee has been established and meets monthly to review the Finances and reports monthly to the Board of Directors. CCSSEF established a Tax Abatement Committee of which I chair to seek a property tax abatement from the City of Keene who originally gave to CCSSEF and now does not. I believe I have the ability and interest to continue to contribute more to the Cheshire County Shooting Sports Education Foundation. Therefore, I ask for your support for my candidacy for the CCSSEF Board of Directors.
