To Whom It May Concern,

My name is Ian Strimbeck, and I respectfully submit this letter to express my sincere interest in serving on the Board of Directors for the Cheshire County Shooting Sports and Education Foundation.

I am a U.S. Marine Corps veteran with multiple combat deployments, and for the past decade, I have continued my service to others through professional firearms instruction, leadership development, and community outreach.

I believe that firearms ownership comes with more than just rights — it comes with a duty to educate, mentor, and set a standard for safety and competence. My teaching philosophy revolves around instilling confidence through fundamentals, improving individual skill sets, and fostering a respectful and informed shooting community. These values closely align with the mission of the Cheshire County Shooting Sports and Education Foundation.

Beyond teaching others, I am actively involved in shaping the broader conversation around firearms through public speaking, digital content, and community events. I am passionate about bridging the gap between new shooters and seasoned professionals, and I see a great opportunity to serve that mission through this Board. I also bring a background in business management, brand development, and strategic planning — tools I believe can help advance the Foundation's educational reach and community engagement. I have also held the Chief Training Officer position since January of 2025.

Joining the Board would allow me to give back to a community and culture that has given me so much. I am eager to contribute my time, experience, and energy toward sustaining and growing the Foundation's programs, particularly in the areas of safety and education.

Thank you for your time and consideration. I welcome the opportunity to support and strengthen the Foundation's efforts as a Board member.

Respectfully,

Ian Strimbeck

Father, Husband, and U.S. Marine Corps Veteran
