

Hello.

My name is Jim Steiner and I am interested in running for the CCSSEF Board of Directors. Attached is the requested photo and below is my bio.

I am a father of three and an Air Force veteran.

My family have been members at CCSSEF for 4 years and involved with the Action Pistol League and Steel Challenge for the last three years.

Two of our children have been involved with the Jr Rifle program and our youngest shoots the PCSL and Steel Challenge matches.

As a member of the Firearms Policy Coalition, Gun Owners of America and a life member of the 2nd Amendment Foundation I believe having strong organizations that help spread the joy of shooting is fundamental to a strong Second Amendment.

The CCSSEF is such an organization and I would be honored to be a member of the board.
