

Kyle Johnson

I'm a proud Marine Corps veteran (2003–2007), and I bring that same dedication and discipline into everything I do—whether it's competing in action pistol matches or shooting out to 600 yards with the high-power crowd. I have a diverse background in painting, landscaping, and some CNC machining, and my hands-on experience reflects a strong work ethic and close attention to detail. Off the range, I'm a dedicated father of four and a proud grandfather of one. I balance my passion for shooting sports with a love for the outdoors and the joys of family life.

I've been a member of the club for about two and a half years now, and I'd like to become more involved by holding a seat on the board. I'm a strong supporter of the Second Amendment and have a deep respect for all shooting disciplines. My goal is to help ensure this club remains strong and active for generations to come—and that the 2A community stays united, educated, and thriving.
