

I Lawrence (Larry) Piazza submit my request, for consideration to be re-elected to the Board of Directors. I have been an active member of the Board for the years I have served. I am presently serving on the Finance Committee, Committee Reviewing Video & Audio Recording Surveillance as It relates to the Safety & Security of Members and Guests of CCSSEF Range. My request is to complete my participation in the review and establishing the policies, procedures, under the Laws of the State of N.H. related to such Surveillance.

I was also active to bring about a \$10,000.00 annual savings in our heating fuel cost and the installation of new heating and cooling equipment in our main office and meeting facility.

I actively served in U.S. Army, during the Korean War and was honorably discharged with the rank of Corporal in 1955. I have a Bachelor of Science Degree, in Finance, which I earned under the GI Bill, from Fairleigh Dickinson University. I have spent the past sixty-five years of my life in private enterprise, finding a need and building solutions, such as building Office Facilities, Shopping Centers, Apartment Complexes, Medical Center Facilities, a subdivision of Eighty-Eight private homes, which included all Underground Utilities, and City Streets. It being the first major construction, in the City of Troy, NY., for over twenty years. I purchased a bankrupt 1600 acre Country Club, with an operating 9-hole golf course, and over twenty year period, sub divided the vacant woodlands and sold off the largest parcel 930 acres to the City of New York Watershed Department, which had two thousand plus acres, of N.Y. City drinking water storage reservoirs, surrounding eighty percent of the acreage that they purchased, to prevent the acreage from being developed and to protect the drinking water supply, for the City of N.Y. I moved to N.H. in 1986 from N.Y. State and a longtime member of CCSSEF and would like to continue serving CCSSEF. I ask for your Vote.
